

Euclides Coimbra

Euclides Coimbra is a worldwide Thought Leader in Continuous Improvement.

He has an extensive experience in cultural change and Kaizen Lean transformation processes.

With international experience in several sectors, he has been mainly focused on the coordination and development of new areas as well as the management of large global projects. Author of the books "Kaizen in Logistics and Supply Chains" and "Kaizen: A Strategy for Improvement, Growth and Profitability".

Agenda:

9h30 - 10h00

Introduction and Presentation of Main Concepts

10h00 - 11h00

Preparation to Play the Chicken Game and Start of the Game

11h00 - 11h10

Break

11h10 - 12h30

Continuation of the Chicken Game

12h30 - 12h45

Wrap up and Conclusions

Participants:

Managers and Technicians interested in Quality Improvement in Manufacturing, Service and Innovation Environments

Objectives of the Workshop:

1. To present a method to implement Quality Improvement tools until Zero Defects are achieved
2. Participants will play the "Chicken Game" that will guide them through the Process using a Visual Autonomous Quality Matrix
3. Total Quality Management Tools will be integrated by the use of the Auto Quality Matrix
4. Tools like Quality Standards, Operator Self Control, Poka Yoka, Jidoka, and SPC: Statistical Process Control will be demonstrated in a logical sequence that shows when and how much of each tool is convenient.
